

The Pharmaceutical Technology Specialists

About Drug Delivery Experts

- Center of excellence in pharmaceutical, delivery, and device technology
- Specialists in combination drug product development, complex formulations, delivery system R&D, and device integration
- Incubator of technologies, companies, and talent
- Leadership team with 200+ years of combined industry experience
- Founded by Christopher A. Rhodes, Ph.D. after 20 years in industry

Support from Research to Development & Commercialization

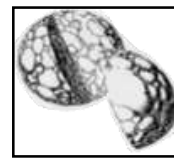

Expertise

Molecule

- Peptides
- Oligonucleotides
- Proteins
- Small Molecules
- PEGylation

Delivery System

- Salts
- Liposomes
- Gels
- Microspheres
- Oral Capsules

Device

- Pen
- Auto-injector
- Nasal Spray
- Transdermal
- Oral Device

Capabilities

- Pharmaceutical R&D Laboratory
- Formulation, analytical, process, chemistry, device development
- Peptide synthesis, small molecule chemistry, conjugation
- Lead candidate selection, pharmaceutical property optimization
- Translation of innovative technologies from research to clinic
