

Drug Delivery Experts CEO Chris Rhodes Presents at EuroTIDES

Vienna, Austria, November 8th, 2017– Drug Delivery Experts was selected to present at the EuroTIDES 2017 in Vienna, Austria. President and CEO Christopher Rhodes presented his *Exenatide and Its Life Cycle* on Wednesday November 8th, 2017.

About EuroTIDES:

TIDES Europe is a conference for oligo and peptide experts to meet and build successful partnerships to accelerate products from early discovery through late stage development and commercialization.

About Drug Delivery Experts:

Drug Delivery Experts (DDE) is a drug product development company that specializes in the research and development of drug delivery systems from preclinical to clinical development and commercialization. DDE has specific expertise with peptides, proteins, and oligonucleotides along with formulation, process, and combination drug product development. With over 200 years of pharmaceutical development experience at a broad range of companies, the leadership team at DDE has worked on products across many routes of administration and dosage forms including various non-invasive and sustained release injection products. Drug Delivery Experts is located in San Diego, California. For more information, please visit the Drug Delivery Experts website at drugdeliveryexperts.com.
